

PLUMPTON SCHOOL **NURSERY INFORMATION & APPLICATION FORM**

Children can be admitted to Plumpton School the term after their third birthday. They will be admitted into the Early Years Unit and will spend much of their time alongside the Reception children.

All parents are entitled to 15 hours free nursery provision for their child from the start of the term following their third birthday, as shown in the table below –

Child's birthday	When you can claim
1 st January to 31 st March	The beginning of term on or after 1 st April
1 st April to 31 st August	The beginning of term on or after 1 st September
1 st September to 31 st December	The beginning of term on or after 1 st January

With effect from September, 2017, an additional 15 hours per week ie. 30 hours free nursery education can be claimed by parents in certain circumstances, as follows –

- Both parents must be working (or the sole parent in a one-parent family is working)
- Each parent earns, on average, a weekly minimum equivalent to 16 hours at the national minimum wage or the national living wage
- The parents combined income does not exceed £100,000 per year

An entitlement of 30 hours per week can be spread between more than one provider and across the year. Parents fulfilling the criteria to receive up to 30 hours funded nursery education will be required to apply for a Department for Education Reference Number (DERN) via www.childcarechoices.gov.uk. If you wish to access more than 15 hours per week you must bring your DERN, national insurance numbers and child's birth certificate into school in order for us to verify your entitlement.
