"Plumpton - a happy, safe and caring school where everyone is valued"

16th June, 2020

Dear Parents/Carers,

I am writing to let you know our plans for the remaining four weeks of this year. As you will be aware, we are welcoming more children back to school from next Monday (22nd June) and we are looking forward to returning to some form of normality.

The teachers will have more face to face teaching time now as the take up to return to school has been quite high. This will mean that they will not be able to dedicate as much time to the online home school learning. Instead, the teachers will continue to provide weekly plans with suggested activities for you to follow but will not be able to respond to posts frequently. We have been really impressed with how you have supported your child/children over the past months and thank you for your hard work during this difficult period.

For those of you with children in Year 6, Ullswater Community College and Queen Elizabeth Grammar School have been communicating with Miss Prescott as they would normally do with plans for transition to KS3 and both schools have lots of information on their websites. Please keep checking these as they are providing regular updates from students and staff to help with the move to secondary school. If possible, we would like to invite our current Year 6 pupils back to school in the autumn term for some form of a goodbye; we will keep you posted.

We will be sending out an annual report at the end of term and this year there will be a section for teachers to comment on how well your child/children have engaged in home/school learning. If you have any projects or activities that you want to share, please post them via Tapestry or See-Saw.

We will keep you informed of any other information that you need to know and hopefully will be able to welcome you all back on Wednesday, 2nd September.

Yours sincerely,

S. L. Penny

Head teacher
